

ACKNOWLEDGEMENTS

It gives me a great pleasure to record my deep sense of gratitude towards Dr. M.N. Nalavade, Reader in Cell-Biology, Zoology Department, Shivaji University, Kolhapur, for guiding my work and the successful completion of this thesis. He has been a constant source of inspiration to me and he is instrumental in training me as a research worker in Zoology. Successful completion of this thesis is due to his divine guidance, inspiring discussions and invaluable help during the course of the work. Words are indeed inadequate to express my gratitude and respect towards him.

Dr. A.T. Varute, Professor and Head of the Zoology Department, Shivaji University, Kolhapur, has been another source of inspiration to me. I had an opportunity of being his student at the M.Sc. degree course. He has always taken a keen interest in my work. I express my deep sense of gratitude towards him.

I also thank to Dr. A.A. Kadam, Principal, Kisan Veer Mahavidyalaya, Wai, and the Managing body, Janata Shikshan Sanstha, Wai, for granting me study leave to undertake faculty improvement programme of U.G.C. and opportunity for improvement of qualification.

I express my thanks to the authorities of the University Grants Commission, New Delhi, for providing this research opportunity by selecting me as a Teacher-Fellow and for the financial assistance to carry out this research work.

I would like to express my sincere thanks to Dr. (Mrs.) Pillai, M.M.; Dr.(Mrs.) Kanase A.A. and Dr. Patil S.S. (Post doctoral research fellow) for their kind help whenever I requested

for. I also thank all the members of teaching and non-teaching staff in the Department of Zoology, Shivaji University, Kolhapur and from Kisan Veer Mahavidyalaya, Wai, who have extended a helping hand whenever I requested for.

I wish to express my sincere thanks to my research colleagues, Shri Patil, V.A.; Gonjari, G.R.; Mane, P.S.; Dhadas, M.E. and Tomake, B.A. who helped me in various ways during the course of research work.

Thanks are also due to Shri Ghadage Niwas; Dr. Kotbage, V.V.; Bachute, K.V.; Joshi, S.V.; Wani, J.V.; Nalavade, R.V.; Shete, V. and Messers Bapat and Co. from Wai and Shri Mandlik, D.B. (Laboratory Assistant), Chikhalwale, G.P. and Powar, P.A. (The Laboratory care takers) from this department who assisted me in collection of animals.

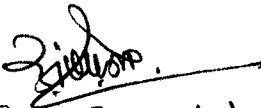

I extend my special thanks towards Drs. Mr. and Mrs. Phansalkar for their help in castration and hormone treatment experimental studies and for providing necessary instruments.

I am grateful to Dr. Nalavade, M.N. and Shri More, D.G. (NavBharat Photo Studio) for their skillful assistance in preparation of photomicrographic plates. I express my sincere thanks to Mr. Ghatage for the excellent type-script of the present thesis.

Last but not the least, I thank the University authorities, Dr. K.B. Powar, the Vice-Chancellor of Shivaji University, Kolhapur and Dr. B.P. Sabale, the Registrar, Shivaji University, Kolhapur, for allowing me to work in the Department of Zoology and providing all the facilities for my research work.

Department of Zoology,
Shivaji University, Kolhapur-4,
Maharashtra, INDIA.

Date: 17th August 1988
