This is to certify that, Miss C.N. Sathe has completed her dissertation entitled, "STUDIES ON THE ROOSTING BEHAVICUR AND POPULATION ECOLOGY OF PARIAH KITE, Milvus migrans govinda (Boddaert) IN KOLHAPUR CITY". This dissertaticn is required towards the partial fulfilment of the requirements for the degree of "Master of Philosophy" in Zoology to be awarded by Shivaji University, Kolhapur. I find that this work is comprehensive, original and complete.
