

### ACKNOWLEDGEMENT

It gives me a great pleasure to express my sincere and heartfelt gratitude towards my research guide Dr. (Mrs.) Meena M. Pillai, Lecturer in Cell-Biology, Department of Zoology, Shivaji University, Kolhapur, for her advice in selecting the problem, giving me constant guidance, scholastic criticism of the work and encouragement throughout the progress of work. To her counsel the successful completion of this work is entirely due.

I express my sense of gratitude towards Dr. A.T. Varute, Professor and Head of the Department of Zoology, Shivaji University, Kolhapur. His potential and dynamic inspiration was very much valuable for me in completion of this work.

My grateful thanks also go to all staff members of Zoology Department, Shivaji University, Kolhapur, who have extended helping hands whenever I requested for.

I shall be failing in my duty if I do not express my thanks to Dr. T.S. Nadar, Asstt. Research Scientist, who helped me for computation of the data and proof reading. The excellent typescript of the present thesis is prepared by Mr. Ghadage who has spared no pains in completing the typescript of the thesis. I express my deep sense of gratitude towards him.

I would like to thank and express my gratitude towards my friends and colleagues Miss Maldar Y.R.; Mundaganur, D.S.;
