### A C K N O W L E D G E M E N T

First and foremost, I acknowledge Dr. R.N. Patil, Lecturer in Zoology, S.G.M. College, Karad for suggesting this problem, guiding the work till successful completion of this dissertation. He has been a constant source of inspiration to me and he is instrumental in training me as a research student in Zoology. But for his able guidance, encouragement, interesting criticism of the results and many intelligent and inspiring discussion, the present work would not have been completed as successfully as it has been done. I entirely owe my success to him.

Dr. A.T. Varute, Professor and Head of Zoology Department, Shivaji University, Kolhapur is another source of inspiration to me . I had an opportunity of being his student during post graduate studies and I owe my entire knowledge in Zoology to him.

I am grateful to Prin. D.K. Khot, S.G.M. College, Karad for providing all the facilities and allowing me to work in the Department of Zoology during the course of the present investigation.

I am also grateful to the Secretary and Joint Secretary of Rayat Shikshan Sanstha, Satara who encouraged me during the course of my research work.

It is pleasure to acknowledge the many helpful suggestions of the members of teaching, Zoology Department, Shivaji University, Kolhapur and Zoology Department S.G.M. College, Karad during the research work

I must acknowledge the help of Dr. H.G. Vibhute and Prof. L.S. Bhosale, Head of the Zoology Department, S.G.M. College, Karad who constantly assisted me during the practical work.

Thanks are also due to Mr. S.B. Kale, Mr. S.G. Pol and Mr. A.S. Unune who helped me in collection of fishes.

Again I thank Dr. R.N. Patil for his assistance in preparation of photomicrographs. All the artistic beauty of the preset dissertation is due to him.

I also thank Mr. Bondre for his valuable help in preparation of photomicrographs and Dr. Trivedi and Dr. Goyal of Yashwantrao Chavan College of Science, Karad who helped me in analysing the water samples.

I specially thank my husband Prof. S.T. Madanaik who helped me in proof reading of the manuscript of the present dissertation. I am grateful to him for his kind help whenever I requested for.

The excellent type-script of the present dissertation is prepared by Mr. Dhopate who has spared no pains in completing the type-script of the dissertation.

I express my deep sence of gratitude to him.

Last but not least, I thank the University authorities, especially Dr. K.B. Pawar, Vice-Chancellor of Shivaji University, Kolhapur and Dr. B.P. Sabale, Registrar, Shivaji University, Kolhapur.
