

LIST OF TABLES

Chapter	Table No.	Title	After page
Two	1	Histochemical methods employed for demonstration of mucosubstances.	50
Three	2	Histochemical staining reactivities of mucosubstances in the Oesophagus of <u>A.phoenicurus phoenicurus</u> .	55
Three	3	Histochemical staining reactivities of mucosubstances in the Proventriculus of <u>A.phoenicurus phoenicurus</u> .	58
Three	4	Histochemical staining reactivities of mucosubstances in the Ventriculus of <u>A.phoenicurus phoenicurus</u> .	60
Three	5	Histochemical staining reactivities of mucosubstances in the Duodenum of <u>A.phoenicurus phoenicurus</u> .	63
Three	6	Histochemical staining reactivities of mucosubstances in the Ileum of <u>A.phoenicurus phoenicurus</u> .	64
Three	7	Histochemical staining reactivities of mucosubstances in the large intestine of <u>A.phoenicurus phoenicurus</u> .	65
Four	8	Comparative chart - Mucosubstances in the alimentary tract of four birds differing in feeding habits.	86
