

ACKNOWLEDGEMENT

I take this coveted opportunity to express my sincere gratitude towards Dr. (Mrs.) M.M. Pillai, Lecturer in Cell Biology, University Department of Zoology, Shivaji University, Kolhapur, for having spared no pains in guiding me right from the selection of the problem till the completion of the work. To her counsel the successful completion of the work is entirely due.

I am gratefully thankful to Dr. A.T. Varute, Professor and Head, University Department of Zoology, Shivaji University, Kolhapur, Principal K.M. Agashe, Willingdon College, Sangli; Dr. B.A. Patil, Director, Institute of Applied Research and Development in Agriculture, Sangli and Mr. V.G. Kshirsagar, Head of the Department of Zoology and Vice-Principal, Willingdon College, Sangli. They have been my source of inspiration. They have guided and helped me wherever needed. My words know no bounds to express my gratitude for having given me their valuable guidance and help at this juncture.

I am also thankful to Dr. M.N. Nalawade, Reader in Cell Biology and Dr. (Mrs.) A.A. Kanase, Lecturer in Cell Biology, Department of Zoology, Shivaji University, Kolhapur. They have been extremely helpful to me in my work. I acknowledge gratefully the help and useful suggestions by Mr. T.S. Nadar, I.C.M.R. Research scholar.

I sincerely appreciate the artistic work done by Mr. Sadanand Sutar and Mr. V.G. Chopade, who have taken pains in preparing the photomicrographical plates and the excellent typescript of the dissertation.

I am also thankful to the U.G.C. authorities for having granted me the teacher-fellowship and to Principal Bhogishayana, the Vice-Chancellor, Shivaji University, Kolhapur for permitting me to work in the University Department of Zoology and making available all the facilities.

KOLHAPUR
