

ACKNOWLEDGEMENT

The exploitation of an opportunity claim, versatile guidance, which I was fortunate enough to gain from my research Guide Dr. B. K. Pawar, Reader, Department of Zoology, Shivaji University, Kolhapur, for his constant inspiration, constructive criticism, valuable guidance and sympathetic attitude throughout the period of investigation.

I offer my heart-felt gratitude to my honourable teacher Dr. V. A. Sawant, Professor, Department of Zoology, Shivaji University, Kolhapur. He encouraged me to step up in this recent field of physiology and provide me his knowledge bank wherever and whenever I required during the course of my work on the subject.

I am thankful to Prof. Dr. Nanaware S. G., Head, Department of Zoology, Shivaji University, Kolhapur for providing the necessary facilities to carry out this research.

I am thankful to powerloom owner, and workers in Ichalkaranji for their co-operation and help.

I express my gratitude to the University authorities, the teaching and non-teaching staff for helping and extending their co-operation throughout the research work.

Mention must also be made here of my colleagues Miss Monica Sanandam, Mr. Rajan More, Mr. Rajendra Dubal, Mrs. Gouri Sawant (Gokhale), Mrs. Preeti Shinde for their kind co-operation and all kinds of assistance during the work.

I extend my warm-regards to my family members without whose affection and encouragements, it would not have been possible to complete this work.

Lastly I am thankful to all my well wishers.

Mrs. R. N. Mote
