

ACKNOWLEDGEMENTS

This work is carried out under the inspiring and scholarly guidance of my research guide, Dr (Mrs) Aruna A Kanase. She has familiarised me with the insights of the problem and developed analytical skill with objectivity and discretionary power that was applied throughout the study.

My sincere thanks and gratitudes to Professor and Head Dr. V.A. Sawant for his kind support and co-operation in my work. I also extend my thanks to Professor N. K. More for encouragement.

I sincerely thank Hon. Vice Chancellor Prof. M G Takawale and the Registrar and other University Authorities for allowing me to work in the Department.

I thank all my teachers for their kind co-operation throughout my working period in the department. I owe my thanks to non-teaching staff of the Department for their co-operation extended to me during my work.

I thank the Authorities and the staff of USIC, CFC and Br. Khardekar Library, Shivaji University, Kolhapur.

I bestow my sincere gratitude and thanks to Dr. Subhash Patil and Miss Usha Patil, who have helped me in ways more than one throughout the research work.

I would like to thank other co-workers Shri R V Bakare and Shri Subhash Waghmare for their wholehearted co-operation and help.

I must acknowledge the Best wishes and Blessings of my parents. I acknowledge my sister and brothers for their moral support. I owe my thanks to those concerned who have contributed directly or indirectly in the completion of work.
