

ACKNOWLEDGEMENT

Firstly I take this opportunity to express my deep sense of gratitude towards my research guide Dr. D.V. Muley, Lecturer, Department of Zoology, Shivaji University, Kolhapur. I always indebted for his affectionate and friendly co-operation.

It is beyond my reach to find the proper words of affection towards my affectionate Mother and Brothers for their constant encouragement during the period of work.

Last but not least, I owe my presumable gratitude to my beloved wife Vandana who carried all the domestic responsibilities on her shoulders and care of our son, Prasann. Without her constant inspiration, encouragements and co-operation it could have been quite impossible for me to complete this task.

I must acknowledge to Shri Sikandar I. Shaikh and Makarand Sadekar with great patience and skill in time for giving computer typing of the dissertation.
