

ACKNOWLEDGEMENT

Any work though individual needs help of near and dear ones. The help given in time can't be repaid, but its acknowledgement gives satisfaction.

This work is carried out under the scholarly guidance of Dr. (Mrs.) Aruna A Kanase, my research guide. I bestow my sincere thanks to her for suggesting the problem and guiding me throughout the work.

I am grateful to UGC for granting me the teacher fellowship so that I can refresh my knowledge and trend myself in modern trends in Zoology.

I must thank Prof. M. G. Takwale, Vice-Chancellor of Shivaji University, Kolhapur and university authorities for allowing me to work in this university.

I sincerely thank Dr. S. G. Nanaware, Prof. and Head, Department of Zoology and Prof. V. A. Sauxant for allowing me to work in the department.

This work became possible as The Chairman, Janata Shikshan Sanstha, Hon. Shri P. B. Bhosale, Principal of our college Dr. C. G. Nalawade and Shri R. A. Bargaje, Head, Department of Zoology, permitted me to avail the teacher fellowship. I am grateful to all of them.

My thanks are also extended to Shri P. D. Nemade (Off. Sup.) and non-teaching staff of Kisan Veer Mahavidyalaya, Wai, who helped me in numerous official matters to make my period of fellowship easy.

I am grateful to Dr. S. S. Patil, who helped me in various ways during my work. I also thank my colleagues Miss P. B. Chougule and Shri M. G. Joshi for their help in laboratory.

I would like to thank Dr. S. B. Desai, Shri Gaikwad and Shri Kamble from CFC for the beauty of microphotographs included in my work.

I also thank teaching and non teaching staff of Zoology department who had extended their helpful hands during my work.

I must acknowledge the best wishes and blessings of my parents. I would like to remain in debt of my wife Sou. Ujwala, my daughters Chi. Rashmi and Chi. Rasika and my son Chi. Raturaj who spared me from my household duties and helped me to fulfil my M. Phil. work.

I owe my thanks to all those concerned who have contributed directly or indirectly in making this research work success.
