

ACKNOWLEDGEMENT

It gives me immense pleasure to express my sincere gratitude towards my Research Guide Dr. (Ms.) M.V.Walvekar, Lecturer in Cell Biology, Department of Zoology, Shivaji University, Kolhapur for her invaluable guidance, encouragement and scholastic criticism right from the selection of the research problem till the completion of the work. This research would not have been completed without her kind cooperation and understanding of me at my personal levels. I am really thankful of her.

I extend my thanks to Head of the Department Prof. G. P. Bhawane for facilities given by the department in successful completion of the project. Similarly I also thank to all my teachers and non-teaching staff in the Department.

I would also like to record my sincere thanks to my friends and research colleagues Lata Bhopale, Dr. Shreya Hora, and Shri Shashikant Kasabe.

I would like to express my special thanks to Shri Prasad Desai, Shri Ghodake, Shri Salunkhe and Shri Sarnobat for their kind cooperation through my entire work.

Last but not least I would feel immense pleasure to express my gratitude toward my parents for their constant support and encouragement.
