

A C K N O W L E D G E M E N T S

I thank Dr.(Mrs.) Aruna A.Kanase, my research guide for suggesting the problem and constantly remaining by my side until the completion of my dissertation.

I must thank Prof. Dr.N.K.More, Head, Department of Zoology, Shivaji University, Kolhapur, who have helped me throughout my working period and other times also.

I thank Dr.S.S.Patil and Shri R.N.Kanase who have helped me one way or the other in daily working schedule until the completion of my dissertation.

Thanks are also due to my teachers and other teaching and non-teaching staff of the Department of Zoology who have helped me in one way or the other. I also thank staff and authorities of CFC, Shivaji University for their help in ultracentrifugation and microphotography.

I am grateful to authorities of S.G.M. College, Karad and Balwant College, Vita and authorities of Rayat Shikshan Sanstha, Satara and UGC who have extended all the possible help to me to achieve U.G.C. fellowship and gave me the opportunity to work for M.Phil. Degree.

I sincerely thank Hon. Vice-Chancellor, Hon.Pro-Vice-Chancellor, Registrar and University authorities for allowing me to work in the

Department.

This neat presentable typed manuscript is the credit of Shri Kumbhar to whom I owe my thanks.

I like to remain in debt of my wife, Sau. Vijaya and family who have lived with many inconveniences during the period of my working.

Parashram Krishna Vadar.
