

## CERTIFICATE

This is to certify that the dissertation entitled “**Effects of salivary and digestive gland extracts of *Ariophanta sp.* on angiogenesis in chick embryo**” is the result of original research work completed and submitted by Miss. Patil Sarita Balasaheb for the award of Degree of Master of Philosophy In Zoology at Shivaji University, Kolhapur.

The whole dissertation or part of it has not been submitted for the award of any Degree of this or any other University. I find the work is comprehensive and complete and is fit for sending to the referee.
