

ACKNOWLEDGEMENT

I am deeply indebted to Late Dr. A.K.GUPTA, Lecturer, Department of Chemistry, Shivaji University, Kolhapur, for his inspiring guidance, fruitful discussions, continuous interest and encouragement during the progress of this investigations.

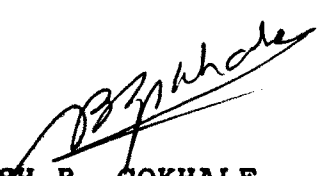

I express my sincere thanks to Dr.M.B.DESHMUKH, Reader, and Dr.K.J.PATIL, Head, Department of Chemistry; Shivaji University, Kolhapur, for the interest in the research work and encouragement.

I express my sincere thanks to the University Grants Commission, New Delhi, India for the award of a teacher fellowship, and to Dr.H.S.Nirmale, the Principal, Willingdon College, Sangli for granting leave during the year 1994-95 to enable me to undertake the present work.

My sincere thanks are due to Mr. M.R.Damle, the Head of Chemistry Department, Willingdon College, Sangli, for the interest and encouragement. I am thankful to Mrs. Patil and staff members Chemistry Department, Shivaji University, Kolhapur, for their help during the progress of this work.

I am very much thankful to my wife Mrs.ANURADHA, son Tushar and daughter Swarada for the continuous encouragement and patience throughout my research career.

KOLHAPUR

SURESH B. GOKHALE
