

Acknowledgement

I strongly acknowledge the financial support of University Grants Commission, New Delhi, India to undertake this work. Otherwise of such a support, it would not have been possible to complete the work in this stipulated period. I am very much grateful to Professor B. K. Kale, Professor M. V. Ratnaparkhi, Professor M. Sreehari and Professor M. N. Deshpande for the fruitful discussions, I had with them. I appreciate the co-operation, patience and the excellent computational skills of the Project Fellows Miss Arati Erandole and Miss Reshma Jamadar. I also acknowledge the co-operation of the University office in all respect.
