> Subject: Re: Status of the paper-1667

>

> Dear Prof. G. S. Gokavi,

> We have the pleasure to inform you that your manuscript 'KINETICS AND MECHANISM OF OXIDATION OF ETHANEDIOL BY 6-MOLYBDOCOBALTATE(III) ION' by J. N. BARGE, R. V. SHEJWAL AND G. S. GOKAVI, with Re No 1667/04.02.09 has been positively evaluated and is accepted for publication in Oxidation Communications. However, the referees have the following remarks:

> - keywords are missing;

> - the radical presentation on page 6 is not proper;

> - the caption to Fig. 1 must be given;

> - the titles of the articles included in the reference list must be added.

> Thank you for your co-operation.

> Sincerely yours

> Mrs M.Boneva
