- 20. As far as the attitude of workers is concerned towards the job it is found that majority of the workers are unhappy.
- 21. Majority of the workers found not satisfied with the provision of Water & Lavatory facility.
- 22. It is found that the majority of the respondents found the permanent employees of the corporation.

OBSERVATION

Following are the observation of the researcher during his data collection :

- The Male and Female found in the category of Class
 IV Employees.
- 2. The Working hours of Corporation for these employees are 5.30 am to 10.30 am and 2.30 p.m. to 4.30 p.m. and general shift of the employees is 7.30 a.m. to 11.30 a.m. and 2.30 p.m. to 5.30 p.m.
- J. Almost all the respondents main source of Income was found as Salary only.
- 4. No respondents having Landed Property, Business or Agriculture.
 - 5. Most of the respondents found daily rated.
- The mode of payment for the respondent is monthly basis.
- 7. Almost all the respondent found unsatisfied with their past wages.
- 8. Only Scavengers found living in Corporation colony and other employees found living in various slum areas of the Solapur city.

- 9. 'The loan has been drawn for the common reason like as marriages of sons and daughters and to cater the family.
- 10. The loan taken from Co-operative society and Bank is repaid by the respondents from their monthly salaries directly while the loan taken from Money lenders found repaid by them personally.
- 11. Almost all the respondents found the member of Trade Union.
- 12. The Category of Scavengers found migrated for the employment purpose from the state of Andhra Pradesh and Gujrat.
- 13. Almost all the respondents found the members of Social organisation and they have been found involved in the activities like Bhajan, Kirtan, Cultural Programmes and Sammelan.
- 14. Almost all the respondent complained that due to their job they have been caught by skin decease or other health problem.
- . 15. The equipments provided by the corporation to these are few and they have got more problems to complete the job.
- 16. The medical facilities provided by the corporation to these employees have not satisfactory due to which the health of the employees not been maintained properly.

- 17. The facilities provided by the corporation to the Scavengers have the common facility of Water and Latrine.
- 18. Most of the respondents have to for their duty far away from their residence and even not been provided the:

 Transport facilities by the corporation.
- 19. The Liveries provided by the Corporation to their Class-IV employees are not sufficient.

CONCLUSIONS

From the above Findings of the Studies and Observations of the Researcher the following Conclusions have been drawn.

- It is concluded that while recruiting the Class-IV employees majority of the people are selected from the Scheduled Caste category.
- They duty hours for the female employees are odd i.e. early in the morning.
- 3. The main source of income of the respondents is monthly salary only.
- 4: Only the Scavengers have been provided the Staff Quarters by the Corporation.
- 5. Unnecessary expenses are incurred by the respondents on the Miscellaneous items like Fuel, Meat etc.
- 6. As far as the Education is concerned to the respondents and his family it is total neglected.
- 7. The attitude towards the borrowing of loan is in mere percentage among the respondent.

- 8. Majority of the respondents are habitants and the expenses incurred on habit are objectionable.
- 7. The attitude of the respondent towards saving the money is not existing.
- 10. Majority of the workers have to face skin disease and health problems due to their job.
- 11. The water and lavatory facilities are improper as it is commonly provided.
- 12. No respondents is found preparing the monthly family budget.

SUGGESTION

On the basis of the findings the conclusion and observations the following suggestion are made by the researcher.

- 1. As all the respondents are the members of the Union the union should try to raise the socio-economic status of their members.
- 2. Adult education classes should be run by the Corporation for Class-IV employees.
- 3. The importance of family planning programme should be explained to the employees by organising documentary, shows and health check up campaign.
- 4. The employees should be advised to prepare monthly basis family budget.
- 5. The employees should be advised to minimise the expenses incurred on habits as well as awareness campaign should be organised to eradicate the Drugs Addiction, Alcholoism and Gambling etc.

- 6. Special Campaign should be organised for the employees regarding the importance of savings.
- 7. The employees working in the category of Scavengers. and Anti-Malaria working units etc. should be provided. Mask, Hand gloves etc for Health purpose.
- 8. The respondents are residing away from the duty spot so it is very difficult to attend the duties without any transport facilities, so transport facilities may be provided to them.
- 9. The disadvantages of indebtness should be explained to the respondents and they should be deprived from taking the loan.
- 10. As a matter of Social and Economic security the employees should be explained the importance of Life Insurance.
- 11. To raise the Social and Economic status of the respondent should be provided the best housing facilities.

- 12. To get the job satisfaction, the repondent should be provided more facilities.
- 13. Adequate Liveries should be provided to the respondents.
- 14. Necessary Equipments should be provided to the respondents to do their work efficiently.
- 15. Regular Health Checkup Programmes should be arranged to keep the good health of the employees.
- 16. The basic facilities like Water, Lighting, Sanitary, and Lavatory for the good health of repsondents and their family members.
