

# **BIBLIOGRAPHY**

## BIBLIOGRAPY

1. Rahele Tabasi, Govindan Marthandan,( March 2013) Clinical Waste Management: A Review on Important Factors in Clinical Waste Generation Rate Faculty International Journal of Science and Technology Volume 3 No.3,
2. Praveen Mathur, Sangeeta Patan And Anand S. Shobhawat (2012) Current-World Environment, Need of Biomedical Waste Management System in Hospitals - An Emerging issue - A Review Department of Environmental Science, MDS University Ajmer -Vol. 7(1), 117-124
3. Mukesh Yadav MD (Oct- Dec2001) Hospital waste a major problem, Vol. 8 No. 4,
4. S.Mohankumar & Dr. K. K Kottaiveeran (2011) Hospital Waste Management and Environmental Problems in India International Journal of Pharmaceutical & Biological Archives 2(6):1621-1626
5. Maharashtra pollution control board (August 2004) Report on status of some common facilities for collection, treatment and disposal of biomedical waste in Maharashtra. Maharashtra pollution control board
6. National Journal of Integrated Research in Medicine Awareness of Healthcare Workers Regarding Biomedical Waste Management (BMW) At Tertiary Care Government Hospital In Dhule (Maharashtra).
7. Hem Chandra, (1993) An environmental Hazard and its management, International society of Environmental Botanist Vol.5 No.3
8. Kamalakanta Muduli, Akhilesh Barve (2012), Research Scholar, Indian Institute of Technology, Bhubaneswar, Orissa, India Challenges to waste management practices in Indian Health Care Sector International Conference on Environment Science and Engineering IPCBEE vol.3 2
9. Dr. Sushma Rudraswamy, Dr. Nagandini,(2013) International journal of Environmental biology management Universal Research Publications ,“Global Scenario of Hospital Waste Management”
10. Ira F.Salkin, Edward Krisiunal(2000) Journal of the American biological safety Medical and infectious waste management( pp 54-55)
11. Violet N. Pinto, Sumedha M. Joshi, Deepa Velankar (2014) International Journal of Medicine and Public Health , “A comparative study of knowledge and attitudes regarding biomedical waste (BMW) management with a preliminary intervention in an academic hospital

12. Amarpreet Singh Ghura<sup>1</sup>, Dr. CM Sankaran Kutty ( 2011) "Bio Medical Waste: A Corporate Responsibility Dilemma in INDIA: Assistant Professor & Academic coording GuruNanak Institute of Management Studies, Mumbai and Research Scholar at JJT University, Jhunjhunu, Rajasthan, India.
13. Zarook M. Shareefdeen.,(2012),Medical Waste Management and Control", Journal of Environmental Protection
14. Rahele Tabasi, Govindan Marthandan. (2013) In the paper "Clinical Waste Management: A Review on Important Factors in Clinical Waste Generation rate" International Journal of Science and Technology
15. Peter Ikome Kuwoh Mochungong(2011): Environmental exposure and public health impacts of poor clinical waste treatment and disposal in cameroon PhD Dissertation , Unitfor Health Promotion Research Faculty of Health Sciences University of Southern Denmark
16. Manowan,Vorapong(2009) Awareness and management of hospital waste in developing countries: A case study in Thailand
17. Seyed All Akbar Jafari Mosavi( 1993) Phd thesis, The environmental impact assessment of hospital waste incinerators Environmental Resource Unit University of Salford, U.K.
18. Dr. Sushama Sahai, Biomedical waste management (2009) Published by A.P.H.Publishing Corporation APH Pub.ISBN 10: 8131305686
19. Peter A.Reinhardt, (1990) Infectious and medical waste management
20. Dr. Moirangthem Jiban(2012):, Cleanness is next to Godliness Strategy of biomedical waste Management,manual book
21. R. B. Patil January (2005), Environment movements in Indian Society, problems and Prospects,Rawat Publications Jaipur
22. Maduri Sharma (2007) Hospital waste management and its monitoring, published by Jaypee the health science publishers
23. Singh Anantpreet, Kaur Sukhjot(2012), Biomedical waste disposal Jaypee publication
24. Central Pollution Control Board (CPCB) 2012),A study conducted by an apex pollution monitoring body of Government of India, on incinerators in Delhi Hospitals,
25. Darshini Mahadevia' Bela Pharate' Amit Mistryn(2005),New Practices of Waste Management Case of Mumbai

26. Indira Gandhi Institute of Development Research, State of Environment Report, Maharashtra:
27. Times of India Bhopal (05 July 2014 )Hospitals raise concern over poor disposal of bio-medical waste ,
28. Maharashtra Pollution Control Board ( sep, 2012)serves notice to PMC-run hospital TOI
29. Pollution Control Board (03 Jul 2014),Times of India Every fifth hospital violating bio-medical waste norms: ,
30. UP Pollution Control Board(June2,2011) Computerization of biomedical treatment plants to help monitoring, Indian express Lucknow
- 31 Indian Express Pune, (January 21, 2010 4) Bio-medical waste, Notices to hospitals in Satara,Solapur
32. Indian express, Pune April 22,(2009) :Bio-medical waste moves 140 km for disposal
33. Indian Express,Ahmedabad February 27 AMC raids unearh large-scale recycling of biomedical waste,
34. Report of Ministry Of Environment & Forests (20th July, 1998)New Delhi,
35. Maharashtra pollution control board( August2004) Report on status of some common facilities for collection, treatment and disposal of biomedical waste in Maharashtra.
36. Maharashtra Pollution Control Board(2012): Status of Biomedical Waste Maragement in the State of Maharashtra Prepared
37. Mallapaty, GabrieleIn 1998, The role of total quality management in raising the service quality of public health laboratories in developing countries ,thesis University of Derby
38. Zarook M. Shareefdeen Medical Waste Management and Control American University
39. Journal of Environmental protection (Dec 2012), Published Online December Published Online 1625-1628
42. Hand book of Operations and Maintenance of hospital medical waste incinerators
