

## ACKNOWLEDGEMENTS

This Dissertation was undertaken and completed under the guidance and supervision of Dr.M.M.Ali, my Research Guide at Chh.Shahu Central Institute of Business Education and Research (CSCIBER), Kolhapur. With his critical insight, patience and keen interest, Dr.Ali was a great source of encouragement to me at every stage of the work. This formal acknowledgement, I am aware, is an inadequate expression of my sense of gratitude towards him.

I express my sincere thanks to Prof.Dr.A.D.Shinde, Director, and Dr.P.S.Rao, Principal, CSCIBER, for providing the necessary facilities to carry out the present work.

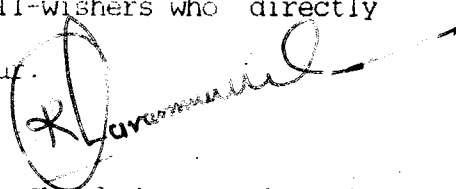

I have been benefitted to a great extent by the help rendered by Dr.S.D.Kolte, Head, Deptt. of Commerce & Management, University of Poona, and Dr.T.A.Shivare, ex-faculty member of CSCIBER, and I shall remain forever grateful to them.

I am thankful to the officers and staff members of the EDP units surveyed in Kolhapur for their kind cooperation in data collection. I am grateful to the librarians of CSCIBER and Barr.Khardekar Library, Shivaji University, Kolhapur.

Finally, I record my sincere thanks to Prof.T.M.Garud, all my family members, friends and well-wishers who directly or indirectly helped me in my endeavour.
