

ACKNOWLEDGEMENTS

This dissertation bears the imprint of many persons, who in a formal review or in informal conversation made a significant contribution to its development. My heart is full of emotions. It is very difficult to express feeling in words to those who have helped me at every stage of this research work, but formality forces me to bring these feelings in words.

I am indebted for ever to my guide Dr. N. R. Thorat, whom I also found a friend and philosopher in this regard.

Secondly, I am also indebted to Dr. V.S. Patil, coordinator and Head of Dept. Of Commerce and Management of Shivaji University, Kolhapur. Who is inspiration during the M.Phil course.

I am very much obliged by the Association of Owners, Sellers, Customers.

My original and overriding gratitude is to my all family members specially to my Mother and Father to whom this dissertation is dedicated.
