

- 12) There should be interference of government in textile industry.
- 13) There should be stable textile industry.
- 14) Government should be attempts for the development of textile industry.
- 15) In Ichalkaranji, there should be diversification of other textile units instead of powerlooms. So that workers will be benefited from its. And their standard of living will be increase which will ultimately affect to the development of the country.

Thus, these are the suggestions which are framed from the study of "DISPLACEMENT OF TEXTILE WORKERS & THEIR SOCIO-ECONOMIC PROBLEMS IN ICHALKARANJI".

CHAPTER SIX
