

ACKNOWLEDGEMENT

For all the encouragement sustained interest, and affection that I received through out my tenure as M.Phil. Student in that department, I express with a deep sense of gratitude and with great pleasure, my heartfelt thanks and indebtedness to my research guide Dr. M.B.Deshmukh, Professor in Organic Chemistry, Department of Chemistry, Shivaji University, Kolhapur. Who has introduced me to the chemistry of pyridines. I indeed consider myself to be extremely fortunate to have come under shelter of his scholastic arena, intellectual magnetism, awe inspiring personality matched by a rare combination of human simplicity.

I sincerely thankful to Prof. M.A.Anuse, Co-ordinator of Department of Ag.P.M., Professor of Chemistry, for providing all the necessary facilities during the tenure of my M.Phil. work.

I would like to express thanks to teaching and non-teaching Department staff to provide me to a great affection with a helpable attitude.

I wish to record my sincere thanks to Department of C.F.C. Shivaji University Kolhapur, for provide me to a spectral data of analysis.

I acknowledge my gratitude to all my nearest colleges to give an indirect support with a moral embarrassment with a great affection, for their sacrifice they are source of great inspiration to me and I hold them in great esteem.

Finally, I remain indebted to those who inspired me with love and affection.

March 2007,
Kolhapur.
